## A Seasoned Public Utility Investment

FIRST PREFERRED 6% CUMULATIVE STOCK of the United Light & Railways Company

This stock has paid regular dividends since the incorporation of the company in 1910 and always earned these about twice over.

The increase in the company's size, the important improvements and extensions to its properties, and the diversified service and territory must eventually be reflected in the market for this issue.

Yielding almost 8% at present prices, we consider this stock an attractive purchase.

Booklet and earnings upon request.
